Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. CAPITAL AREA AGENCY ON AGING-DISTRICT II, INC. NOTES TO FINANCIAL STATEMENTS

June 30, 2014

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of activities and reporting entity

Capital Area Agency on Aging-District II, Inc. (the Agency) is a non-profit entity incorporated in 1974 to ensure the availability of supportive, nutrition, and volunteer services to people aged 60 and older in the ten parishes surrounding the Baton Rouge capital area. It also serves as an advocate and provides leadership on behalf of the elderly. The Agency coordinates funding to the parish councils on aging and monitors their providing of services to older citizens.

Basis of accounting

The Organization prepares its financial statements on the accrual basis of accounting. Under this method of accounting, revenue is recognized when earned or billed, and expenses are recognized when goods or services are received and the obligation for payment is incurred.

Basis of presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-205, Financial Statements of Not-for-Profit Organizations. Under FASB ASC 958-205, the Agency is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Unrestricted net assets are resources that are free of donor-imposed or time restrictions and are available at the direction of the governing board. Temporarily restricted net assets are resources that are limited by donor imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the organization pursuant to those stipulations. Permanently restricted net assets are those resources whose use by the organization is limited to donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization. At present, the Agency does not have any permanently restricted net assets.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and expense recognition

Contributions, grants and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Agency reports grants and gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When donor restrictions expire, that is, when the stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as net assets released from restrictions. Expenses are recorded when incurred, in accordance with the accrual basis of accounting.

Fixed assets and depreciation

Fixed assets are carried at cost less accumulated depreciation. The assets are depreciated for financial reporting purposes using the straight-line method over estimated useful lives of five to ten years.

Donated services

No amounts have been reflected in the financial statements for donated services. The Agency pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Agency with its various program activities.

Cash

For the purpose of the statement of cash flows, the Agency considers all short-term savings to be cash.

Under the requirements of its grant funding from the State of Louisiana, the Agency must collateralize cash balances held in financial institutions that are in excess of federal deposit insurance. Such deposits are collateralized under a security pledge arrangement with the financial institution which meets the requirements of state law.

Prepaid expenses

The cost of insurance and other services for which benefits extend over more than one accounting period have been recorded as prepaid and are expensed in the period to which they apply.

Functional allocation of expenses

The cost of providing various programs and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs are charged specifically to a program or function and the remaining costs are allocated among programs, management and general and fundraising based upon management's estimates.

A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budget policy

Budgets for the various programs are prepared by the Agency's Executive Director and approved by the Agency's Board of Directors and program grantors. Appropriations from the Governor's Office of Elderly Affairs under Federal Title III lapse at year end. Title IV and other federal appropriations lapse at the federal fiscal year end. Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The Agency may transfer funds between budgetary line items as often as required but must obtain prior approval from the Governor's Office of Elderly Affairs with respect to funds received under contracts from that agency.

Receivables and bad debts

Management believes that receivables are collectible in full, and no allowance for bad debts has been provided in the financial statements.

Annual and sick leave

Employees of the Agency are entitled to paid vacation, depending on the length of service. The Agency has recorded a liability for the unused vacation attributable to all eligible employees at the employee's current rate of pay. Because accrued sick leave lapses upon termination, no amount has been accrued.

Advertising costs

The Agency expenses advertising costs as incurred.

Income tax status

The Agency, a nonprofit corporation, is exempt from federal income taxes under section 501(C)(3) of the Internal Revenue Code.

Capital Area Agency on Aging, District II applies the standards in FASB ASC 740-10 in accounting for uncertainly in income taxes. Capital Area Agency on Aging, District II files a United States return of organization exempt from income tax. The Agency's returns for 2010, 2011, 2012, and 2013 are subject to examination by the Internal Revenue Service.

H: ECONOMIC DEPENDENCY

The Agency receives the majority of its revenue from grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and Louisiana state governments. If significant budget cuts are made at the federal and/or state level, the Agency's funding could be reduced significantly and have an adverse impact on its operations. However, management is not aware of any actions by Agency funding sources that will adversely affect operations in the next fiscal year.

The Agency receives support from a number of sources. Significant among those are the following, reflecting their percent of total revenues provided in 2014 and 2013:

	2014	2013
Governor's Office of Elderly Affairs	71%	75%
Local Support - Title IIIC-1/IIIC-2 Meals	15%	16%
Department of Health and Human Services	6%	0%

I: FEDERALLY ASSISTED AND OTHER GOVERNMENT PROGRAMS

Federal and state assistance programs represent an important source of funding for the Agency. The federal programs are audited annually in accordance with the "Single Audit Act". Other programmatic audits may be conducted by grantor agencies. Prior audits have not resulted in any significant disallowed costs. However, grantor agencies may conduct or require additional examinations which could result in the cancellation of grants or contracts, the disallowance of costs charged to the grant or require the repayment of any questioned costs identified, and such repayments may be material to the financial statements.

J: SUBCONTRACTOR AUDITS

All Council on Aging subcontractors and certain other entities receiving funding from the Agency are responsible for having an independent audit performed in accordance with government auditing standards and, additionally, in accordance with the "Single Audit Act" if federal expenditures exceed specified thresholds.

K: NET ASSETS

Temporarily restricted net assets consist of funds designated by donors or grantors for specific purposes or programs and total \$28,305 and \$155,297 at June 30, 2014 and 2013, respectively.

K: NET ASSETS (Continued)

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Capital Area Agency on Aging - District II, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Capital Area Agency on Aging – District II, Inc., which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 29, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Capital Area Agency on Aging - District II, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Capital Area Agency on Aging - District II, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of Capital Area Agency on Aging - District II, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Capital Area Agency on Aging - District II, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Charge gred low.

The Board of Directors
Capital Area Agency on Aging - District II, Inc.

Report on Compliance for Each Major Federal Program

We have audited Capital Area Agency on Aging - District II, Inc.'s compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Capital Area Agency on Aging - District II's major federal programs for the year ended June 30, 2014. Capital Area Agency on Aging - District II, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Capital Area Agency on Aging - District II, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above, that could have a direct and material effect on a major federal program, occurred. An audit includes examining, on a test basis, evidence about Capital Area Agency on Aging - District II, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Capital Area Agency on Aging - District II, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Capital Area Agency on Aging - District II, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control over Compliance

Management of Capital Area Agency on Aging - District II, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Capital Area Agency on Aging - District II, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Capital Area Agency on Aging - District II, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose. Under Louisiana R. S. 24:513, this report is distributed by the Legislative Auditor as a public document.
